1. ☒ The amendment filed on 10 March 2005 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

- d) ☐ disapproved. See explanation below.
- e) ☒ entered in part. See explanation below.

The amendment filed on 3-10-2005 has been entered in part as directed to matters of form not affecting the scope of the invention. The part of the amendment not entered are claims 50, 54 and 59 which have been inadvertently designated by applicant as "currently amended". In fact, the amendment to claims 50, 54 and 59 had already been entered in an amendment filed on 1-6-2005 and applicants have no intention to make any further amendments to these claims in this 312 amendment.
